## HANNA TO BE HEARD

In Speeches Outside of the  
State of Illinois.

HE MAY COME TO KANSAS

Decision Is in Response to  
Popular Demand.

New York Oct. 2.—A dispatch to the  
Journal and Advertiser from Lourenco  
Marques says: The restrictions around  
Kruger are increasing and he is virtually  
a prisoner. He has been allowed to use  
the Portuguese governor's carriage.  
While driving yesterday he met a party  
of burghers and made them a patriotic  
speech. The governor has now refused  
the use of his carriage. Kruger has been  
warned to make no more speeches and is  
forbidden to wear the green sash that is  
the insignia of his office. Kruger expects  
to sail on a Dutch cruiser for Holland  
next week. The restrictions around Kruger  
are increasing and he is virtually a  
prisoner.

London, Oct. 2.—The following dispatch  
has been received from Lord Roberts:  
"Pretoria, (Thursday), Oct. 2.—A convey-  
ance of twenty-two wagons, escorted by sixty  
mounted men was attacked by 140 Boers  
October 1, near De Jagers Drift, while on  
the way to Vryheid. Twelve of the  
men escaped. The fate of the others is  
not known. The Boers derailed a train  
near Paarl yesterday evening. Five Col-  
dstream guards were killed and nineteen  
injured. Commandant Dicksen, who has  
been negotiating Paarl, has surrendered  
after a personal visit to Komatipoort to  
assure himself that Kruger had gone into  
Portuguese territory."

Johannesburg, Oct. 2.—The military gov-  
ernor on September 25 informed head-  
quarters that he would be prepared for  
the return of 2,000 to 4,000 refugees week-  
ly after October 25.

London, Oct. 2.—Lord Wolsey, the com-  
mander in chief, in an open letter asks  
the public wishing to honor the returning  
soldiers to "remain, while extending  
them a hearty welcome, from offering  
them intoxicating liquors, as like all of  
us, they are open to temptation." The  
commander in chief also says he trusts  
the greeting will be something better  
than an incitement to excessive drink.

FATE OF SHIELDS' COMMAND

As Surmised Is an Uncensored Dis-  
patch via Hong Kong.

Manila, (Friday), Sept. 28, via Hong  
Kong, Oct. 1.—Persistent native reports,  
which are generally believed, have been  
current in Manila for several days to the  
effect that Captain Devereux Shields and  
company of the Twenty-ninth regiment,  
stationed at Marikina Island, embarked  
September 13 on the gunboat Villalobos  
and landed on the Marikina coast Sep-  
tember 14, where 500 of the enemy,  
armed with rifles, supposedly from  
Luzon, surprised the Americans. The lat-  
ter fought for several hours, until their  
ammunition was exhausted, after which  
they were overpowered and surrendered,  
relief being impossible. At least four of  
the soldiers were killed, among them, ac-  
cording to reports, being Captain Shields.  
The Americans also had several wounded.  
Lieutenants Reeves and Bates of the  
staff, on board the gunboat, Yorktown,  
left Manila Monday. After gathering  
troops at Batangas they proceeded to  
Marikina, to verify the reports regard-  
ing the fate of Captain Shields and his  
men, and in case the native rumors were  
well founded, to punish the rebels and  
release the captives. News from this ex-  
pedition is awaited with some anxiety at  
Manila. In the meanwhile the censor  
prohibits the transmission of news con-  
cerning the affair. Colonel Edward E.  
Tamm, of the Twenty-ninth regiment,  
who is now in Manila, admits that it is  
possible that the native reports may be  
correct.

BRYAN INDIGNANTLY REPELS

Insinuations That He Would Take  
Money for Platform-Fixing.

Portage, Wis., Oct. 2.—Mr. Bryan's at-  
tention was today called to a statement  
made by Mr. Kinsman that he received  
\$100,000 for insinuating upon the silver plank  
of the Kansas City platform, and he  
said: "It is hardly worth while to deny  
the charge of a man who hides behind a  
woman whose name he will not give, but  
in order that the most unscrupulous Re-  
publican may have no reason for repeat-  
ing the charge I will say that it is ab-  
solutely false in every particular. No one  
ever offered, promised or gave me that  
sum or any other sum for urging that  
plank or any other plank in the Kansas  
City platform or any other platform. I  
do not know anything of Mr. Kinsman,  
but it is said that he is a cousin of Sen-  
ator Cullem and I do know something of  
Senator Cullem. The senator ought to  
know whether his cousin is trustworthy  
or not and if the senator will state what  
his own signature that he believes what  
his cousin says, and is willing to repre-  
sent him in an investigation of the charge,  
I will make him an appropriation which  
will give him an opportunity to produce  
his evidence."

Southern Spinners in Conference.

Philadelphia, Oct. 2.—Today's session of  
the Southern Cotton Spinners' associa-  
tion was devoted to a discussion of the  
prices of raw cotton and spun yarn and a  
committee was appointed to look over the  
schedule prices and suggest changes in  
the scale. This discussion was the result  
of a conference between the cotton spin-  
ners and a committee of the yarn mer-

"For three days and nights I suffered  
agony untold from an attack of cholera  
morbus brought on by eating cucumbers,"  
says M. E. Lowther, clerk of the dis-  
trict court, Centerville, Iowa. "I thought  
I should surely die, and tried a dozen  
different medicines but all to no purpose.  
I sent for a bottle of Chamberlain's  
Colic, Cholera and Diarrhoea Remedy and  
three doses relieved me entirely." This  
remedy is for sale by all druggists.

High Water Mark for the Road.  
Louisville, Ky., Oct. 2.—The annual  
meeting of the Louisville and Nashville

earnings were \$3,338,327.

It Happened in a Drug Store.  
"One day last winter a lady came to  
my drug store and asked for a brand of  
cough medicine that I did not have in  
stock," says Mr. C. R. Grandin, the popu-  
lar druggist of Ontario, N. Y. "She was  
disappointed and wanted to know what  
cough preparation I could recommend. I  
said to her that I could freely recom-  
mend Chamberlain's Cough Remedy and  
that she could take a bottle of the rem-  
edy and after giving it a fair trial if she  
did not find it worth the money to bring  
back the bottle and I would refund the  
price paid. In the course of a day or two  
the lady came back in company with a  
friend and she wrote the most interest-  
ing and convincing letter to me. I advised  
her to buy a bottle of Chamberlain's  
Cough Remedy. I consider that a  
very good recommendation for the rem-  
edy." It is for sale by all druggists.

Texas' Huge Cotton Damage.  
Fort Worth, Texas, Oct. 2.—The latest  
report made of cotton damage to the  
state by the recent floods and high water

is estimated at not less than \$20,000,000.

MORE BOXES OF GOLD.

To secure additional information from  
the people, it is proposed to send  
small boxes of gold and greenbacks to  
persons who write the most interest-  
ing, detailed, and truthful descriptions of  
their experience on the following topics:  
1. How have you been affected by col-  
fee drinking and by changing from col-  
fee to Postum.  
2. Do you know any one who has been  
driven away from Postum because it  
came to the table weak and character-  
less as the first trial?  
3. Did you set such a person right  
regarding the easy way to make Postum  
clear, black, and with a crisp, rich taste?  
4. Have you ever found a better way to  
make it than to use four heaping tea-  
spoonsful to the pint of water, let stand  
on stove until real boiling begins, then  
note the clock and allow it to continue  
boiling for 15 minutes, after which, stir-  
ring down occasionally? (A piece of butter  
placed in the pot will prevent boiling  
over.)  
5. Give names and addresses of those you  
known to have been cured or helped in  
health by the dismissal of coffee in the  
daily use of Postum Food Coffee in its  
place.  
6. Write names and addresses of twenty  
friends whom you believe would be  
benefited by leaving off coffee. (Your name  
will not be divulged to them.)  
Address your letter to the Postum  
Cereal Co., Ltd., Battle Creek, Mich.,  
writing your own name and address  
clearly.  
Be honest and truthful. Don't write  
poetry or fanciful letters, just plain,  
truthful statements.  
Decisions will be made between October  
20th and November 10th, 1900, by three  
judges, not members of the Postum  
Cereal Co., and a neat little box contain-  
ing a \$5 gold piece sent to each of the  
five best writers, a box containing a \$5  
gold piece to each of the twenty next  
best writers, a \$2 greenback to each of  
the 200 next best writers, and a \$1 greenback  
to each of the 200 next best writers, making  
cash prizes distributed to 225 persons.  
Almost everyone interested in pure  
food and drink is willing to have their  
name and letter appear in the paper,  
for each help as it may offer to the  
human race. However, a request to omit  
name will be respected.  
Every friend of Postum is urged to  
write and each letter will be held in  
high esteem by the company, as an evi-  
dence of such friendship, while the little  
boxes of gold and envelopes of money  
will reach many modest writers whose  
plain and sensible letters contain the  
facts desired, although the sender may  
have but small faith in winning at the  
time of writing.  
Talk this subject over with your  
friends and see how many among you  
can win prizes. It is a good, honest com-  
petition and in the best kind of a cause.  
Cut this statement out for it will net  
appear again.

BOERS NOT ALL PACIFIED

Roberts Reports Their Suc-  
cessful Operations.

Chicago, Oct. 2.—Senator Hanna an-  
nounced today that he will give more  
than a week outside of Illinois to making  
speeches for McKinley and Roosevelt.  
The senator has decided to join Senator  
Frye of Maine, on a tour of Wisconsin,  
Nebraska and South Dakota and it de-  
pends on Senator Frye whether the twin  
shall invade Kansas. Senator Frye, who  
is now in New Jersey, will arrive in Chi-  
cago October 14 from West Virginia and  
with Senator Hanna will proceed to Mad-  
ison, Wisconsin, where the chairman of  
the Republican national committee will  
make a speech at Vice Chairman Payne's  
home. Proceeding across Minnesota sev-  
eral stops will be made, and then two  
days will be spent in South Dakota. Two  
days also will be given to Nebraska. "I  
have been urged so persistently to make  
a speaking tour," said Senator Hanna,  
"that I cannot well decline. I am really  
anxious to go, but until now have not  
been able to find the time. If Senator  
Frye's plans admit we may go into Kan-  
sas. All my speeches will be for home  
consumption."

New Gold Finds in the Arctic  
Victoria, B. C., Oct. 2.—Provincial Min-  
eralogist Robertson, who has just returned  
from Porcupine, reports rich finds of  
gold in that district and predicts a big  
rush there. Already there are a number  
of men in that district. Fifty-five claims  
were staked on Bear and Clear creeks in  
one day. Good reports also come from  
the headwaters of Skeena's river,  
where 25 cents a pan is being taken out.

QUAY GETS INTO THE CAMPAIGN

Likewise, Incidentally, Back Into the  
Senatorial Race.

Westchester, Pa., Oct. 1.—Ex-United  
States Senator Quay tonight made the  
first of what is to be a series of speeches  
throughout the state of Pennsylvania in  
favor of the election of McKinley and  
Roosevelt and those candidates for the  
state legislature favorable to that frac-  
tion of the Republican party recognizing  
Mr. Quay as its leader. His speech to-  
night was made before a large crowd and  
was listened to attentively. Mr. Quay's  
speech was largely devoted to state is-  
sues and he severely criticized efforts of  
the Democrats and anti-Quay Republi-  
cans to effect the success of a fusion  
movement. Referring to the United  
States senatorship, Mr. Quay said he was  
not a candidate in the ordinary accepta-  
tion of the term.  
"The Republican state committee," he  
said, "insisted upon the presentation of  
my candidacy to the people, and I sub-  
mitted with some reluctance to their en-  
gagement. To me that high office is no long-  
er attractive. Its duties have occupied the  
last twelve years of my life and they  
were exceedingly vexatious and laborious.  
My career, as you all know, has not been  
exactly pleasant sailing upon summer  
seas, and advancing years admonish me  
that peace and recreation are to ever  
find me. In the course of nature they  
must come very soon.  
"If the choice of the Republicans of  
Pennsylvania should fall upon another,  
their judgment will be greeted by me, if  
not with satisfaction, at least with relief.  
If the issue could be presented to a popu-  
lar vote of the Republicans of the state  
at the ensuing election that course would  
tend very largely to subside the ill-temper-  
ment manifest in certain quarters and  
would serve as a lightning rod for our  
Republican local legislative and congress-  
ional tickets."

Wood Wants the Troops Mounted.

Washington, Oct. 2.—General Leonard  
Wood, commanding the United States  
forces in Cuba, has made his annual re-  
port to the war department. It contains  
his previous recommendation that all  
troops in Cuba be mounted, together  
with an account of the withdrawal of the  
troops during the past year. The health  
of the troops, he has been good and their  
conduct is commended.

Yellow Fever Feared in Havana.

Washington, Oct. 2.—Private letters re-  
ceived from Havana indicate that much  
apprehension exists among the Ameri-  
cans there regarding the yellow fever,  
as the conditions grow worse instead of  
improving. Civilian employees in Cuba seem  
to be subject to the disease and in sev-  
eral government offices many have been  
stricken. There is yet no fear of the  
fever spreading among the troops.

suspicions that he was engaged in a con-
